

# PRODUCT DISCONTINUATION NOTICE

**SUBJECT:** Discontinuation of ECQ-E(F) Series DC Polyester Film Capacitors, 100VDC & 0.01 to 0.47uF variants only.

**BULLETIN #:** PDN.PG22.03.04.2013

**Date:** 03-04-2013

---

**EFFECTIVE DATE:**

March 4, 2013

**LAST TIME BUY DATE:**

July 1, 2013

**LAST TIME SHIP DATE:**

October 31, 2013

**DISCONTINUATION DETAILS:**

**Only** the 100VDC & 0.01 to 0.47uF variants of ECQ-E(F) Series are being discontinued due to a shift in demand towards the ECQ-V Series. **Please note all other variants of ECQ-E(F) Series are not being discontinued.** Please see attached excel file for part number and replacement details.

**SUGGESTED REPLACEMENT:**

**ECQ-V Series Stacked Polyester Film Capacitors.** The ECQ-V Series does not have a 10% tolerance variant unlike ECQ-E(F); it is available in 5% only. Mechanically, the ECQ-V Series is a drop in replacement to the discontinued part.

**AFFECTED PART NUMBERS:**

- Please see attached excel sheet.
