Product EOL announcement due to production end of Higashiura Fab

Dear Valued Customer,

Japan Display Inc. (JDI) has decided to end display production at our Higashiura Japan factory. Production is estimated to stop in March 2023. As a result of this closure, we hereby announce that JDI's reflective MIP product(s) built at this Higashiura factory will go end of life. We are very sorry for this announcement and your cooperation for the last buy PO and its shipment is highly appreciated.

Impacted Part Numbers:

LPM013M126A
LPM013M126C
LPM027M128B
LPM027M128C
LPM013M601A
LPM013M601B
LPM013M091A
LPM044M141A
TX11D200VM1AAA

Key deadlines:

Final EOL forecast due to JDI by June 30, 2022
Last Time Buy PO due to JDI by September 30, 2022
Final date to ship is June 30, 2023

Sincerely,

Dan Mead
