

Product Change Notification

PCN-MI-1425-2018

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
MI - Marking and Installation	BG4	Product Change Notification	Notify Distributors and Field	3/12/2018

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

Based on the requirements of the market surveillance authority we are urged to add additional information to the packaging label.

Depending on the article one of these two instructions is added (see enclosed article list):

„Without fixation use only <250 V“: This means that the items have to be fixed properly if a voltage > 250V is intended to be applied. The kind of fixation is not defined!

„For fixed use only!“: The terminals have to be fixed independent of the applied voltage.

Stock Status

Can existing stock still be used? Yes

Is mixture of stock acceptable? No

Transaction Dates

Date modification goes into effect from Germany: 3/12/2018

Expected first shipment (from Phoenix Contact) of the modified products(s): 3/12/2018
