

TI/22-004  
26<sup>th</sup> January, 2022

Messrs: Kaga US

## **Product Change Notice**

### **GT-88**

#### **1. TCXO**

From: NT2520SB (FRA3016)

To: NT2520SB (FRA3016C)

Reason

TCXO manufactured by Nihon Dempa Kogyo (hereinafter referred to as NDK), which is a component mounted inside the module, will be replaced with the following alternative.

This change is due to the fire at the plant of Asahi Kasei Microsystems Corporation (hereinafter to as AKM).

#### **2. Software**

From: ENP708B

To: ENP708C

Reason: Galileo satellites E14 and E18 are always eliminated

#### **3. SMT assembly manufacture**

From: Alpine Electronics manufacturing, Inc. Yoshima Plant.

To: Taiyo Yuden Techno Solutions Co., Ltd. Yawatabara Plant

Reason: Due to the shrink of Alpine's SMT line.

#### **4. Product name**

From: GT-88-A2A

To: GT-88-C3B

Reason: Due to the change of hardware, software and factory.

Attachment: Change Point Verification List

End.
