--------	-------	-----------------

Date Issued

Reason For Change	Obsolescence
-------------------	--------------

Change Description	<p>This letter is to inform you that, effective immediately, Molex will obsolete all series 39100 terminal strips constructed with UL 94V-2 Nylon and replace them with product made with UL 94V-O Nylon. This change is a product enhancement as Nylon with a UL 94V-0 rating contains a flame retardant which provides additional safety for the consumer. Due to the change in Nylon material, the color will also change from that of a translucent white for the UL 94V-2 version to a solid white color for the UL 94V-O version. the UL 94V-2 version to a solid white color for the UL 94-0 version. the UL 94V-2 the the UL 94V-2 version to a solid white color for the UL 94V the UL 94V-2 version to a solid white color for the UL 94V-O version.</p>
