CUSTOMER NOTICE OF PRODUCT/PROCESS CHANGE

Customer Name: Various

Customer Part Number: _____

CTS Part Number: 223AJVAAR, 223AJVABR, 223AMVAAR, 223AMVABR

- Additional manufacturing site established.
- Process Change
- This change is notification only.
- Customer authorization is required. Please confirm acceptance by email or other written communication.

Description of Change: Housing component – Plastics mold injection location moved from side surface to bottom surface.

CTS Product Series: 223A, See Part Listing above

Reason for Change: Injection point in the mold changed to enhance the production efficiency and yield of housing component.

Implementation Date: Shipments with the revised housing will start 23 August 2021

Notes: 1. Changes are cosmetic and will not change the fit, form or function of the 223A Switch.

2. CTS performed product inspection and reliability tests to ensure specification conformity and product performance.

3. Comparisons of the housing can be seen in Figure 1.

CTS thanks you in advance for your business and support in this matter, and we look forward to the continued service of our customers. Should there be any questions or requests for information about this notification, please reach out.
