5. Effect on the product or for the customer (benefit, quality, specification, lead time) No impact on quality and reliability.																																																																												
6. Quality assurance measures / risk assessment No risk, no influence on product specification and performance																																																																												
7. Scheduled date of change start by April 5 th , 2023																																																																												
8. Estimated date of first delivery of changed product start by April 5 th , 2023 If TDK Electronics AG does not receive notification to the contrary within a period of 10 weeks, TDK Electronics AG assumes that the customer agrees to the change. <input checked="" type="checkbox"/> For an interim period we cannot rule out that old as well as new products will be shipped. <input type="checkbox"/> Future shipments can consist of old and new products as the new changed product is used as an alternative to the old product.
